If you purchased goods online or through catalogs, newspapers, TV ads, etc. and did not pay sales tax, then you likely owe
Kansas Compensating Use Tax

What is Compensating Use Tax? Since 1937 Kansas has imposed a compensating use tax on goods purchased from outside Kansas and used, stored or consumed in Kansas. Its purpose is to protect Kansas retailers from unfair competition from out-of-state retailers who sell goods tax-free by applying a tax on these items equal to the Kansas rate. It also helps to assure fairness to Kansans who purchase the same items in Kansas and pay Kansas sales tax.

Individuals and businesses buying items from retailers in other states may be subject to Kansas compensating use tax on those purchases. The use tax applies to the total cost of the merchandise, including postage, shipping, handling or transportation charges. The use tax rate is the same as the combined state and local sales tax rate in effect where the buyer takes delivery in Kansas. For individuals, this is usually our home. For businesses, it will be the office, shop, job site, etc. where the item(s) are used.

Do I owe this tax? Kansans that buy goods in other states or through catalogs, internet, mail-order companies, or from TV, magazine and newspaper ads must pay Kansas use tax on these purchases if the goods are used, stored or consumed in Kansas and the seller does not charge a sales tax rate equal to or greater than the Kansas Retailers' Sales Tax rate in effect where the item is delivered or first used. **EXAMPLE:** An Anytown, KS resident orders a computer from a company in New York over its web site. Total cost for the computer is \$2,000 plus \$10 shipping. The Anytown resident will owe 8.95% (current Anytown sales tax rate) Kansas use tax on the total cost of \$2,010 – $\$2,010 \times 0.0895 = \179.90 .

How do I pay the Compensating Use Tax? To pay Kansas use tax on your untaxed out-of-state purchases made during calendar year 2012, refer to the instructions for line 18 of Form K-40 on page 10. You may either use the chart, or compute the tax due by applying the state and local sales tax rate in effect for your address to the total purchases subject to the tax. *Don't know your sales tax rate?* Go to www.kssst.kdor.ks.gov/lookup.cfm to look up the rate for your location.

If you have any questions about use tax or about your responsibilities for reporting and paying this tax as an individual Kansas consumer, please contact our Taxpayer Assistance Center (see page 26).

The BURROWING OWL is the only North American raptor to nest in the ground and often occupy burrows or cavities abandoned by other wildlife species. These owls are often easily seen during the day standing or roosting near their burrow. When threatened, chicks of this species emit a noise that sounds like a rattlesnake to deter potential predators. While not on the current list for sensitive species, they are definitely in danger of losing habitat and need your support. Contribute to chickadee checkoff on your Form K-40 to help conserve this and other fascinating Kansas critters.

GENERAL INFORMATION

If any due date falls on a Saturday, Sunday, or legal holiday, substitute the next regular workday.

Who Must File a Return

You must file a Kansas individual income tax return to receive any refund of taxes withheld, regardless of the amount of total income, or to receive the food sales tax refund.

KANSAS RESIDENTS

A Kansas resident for income tax purposes is anyone who lives in Kansas, regardless of where they are employed. An individual who is away from Kansas for a period of time and has intentions of returning to Kansas is a resident.

If you were a Kansas resident for the entire year, you must file a Kansas individual income tax return if: 1) you are required to file a federal income tax return; **or**, 2) your Kansas adjusted gross income is more than the total of your Kansas standard deduction and exemption allowance.

The minimum filing requirements are shown in the following table. If you are not required to file a federal return, you may use this table to determine if you are required to file a Kansas return. For example, if your filing status is single, and you are over 65, you need not file a Kansas return unless your gross income is over \$6,100. A married couple filing jointly would not be required to file a Kansas return unless their gross income is over \$10,500.

A Kansas resident must file if he or she is:		And gross income is at least:
SINGLE	Under 65	\$ 5,250
	65 or older or blind	\$ 6,100
	65 or older and blind	\$ 6,950
MARRIED FILING JOINT	Under 65 (both spouses)	\$ 10,500
	65 or older or blind (one spouse)	\$ 11,200
	65 or older or blind (both spouses)	\$ 11,900
	65 or older and blind (one spouse)	\$ 11,900
	65 or older or blind (one spouse) and 65 or older and blind (other spouse)	\$ 12,600
65 or older and blind (both spouses)	\$ 13,300	
HEAD OF HOUSEHOLD	Under 65	\$ 9,000
	65 or older or blind	\$ 9,850
	65 or older and blind	\$ 10,700
MARRIED FILING SEPARATE	Under 65	\$ 5,250
	65 or older or blind	\$ 5,950
	65 or older and blind	\$ 6,650

MINOR DEPENDENTS

A minor child claimed on another person's return can claim a standard deduction of \$500 or the amount of their earned income (wages) up to \$3,000, whichever is greater. Unearned income (such as interest and dividends) over \$500 is taxable to Kansas and a Kansas return must be filed. If the taxable income (line 7, Form K-40) is zero, a return is not required. However, you must file a Kansas individual income tax return to receive any refund of taxes withheld, regardless of the amount of total income.

NONRESIDENTS

If you are not a resident of Kansas, but you received income from Kansas sources, you must file a Kansas return regardless of the amount of income received from Kansas sources (see Kansas source income on page 17).

If your employer withheld Kansas taxes from your wages in error, you must also file a Kansas return in order to receive a refund, even though you had no income from Kansas sources. A letter from your employer on company letterhead and signed by an authorized company official explaining the error must accompany your return. The letter must state the amount of wages and withholding applicable to Kansas.

PART-YEAR RESIDENTS

You are considered a part-year resident of Kansas if you were a Kansas resident for less than 12 months during the tax year. As a part-year resident, you must include the dates that you were a resident in Kansas on Form K-40 and complete Part B of Schedule S.

MILITARY PERSONNEL

The active and reserve duty service pay of military personnel is taxable **ONLY** to your state of legal residency, no matter where you are stationed during the tax year. If your home of record on your military records is Kansas, and you have not established residency in another state, you are still a Kansas resident and all of your income, including your military compensation, is subject to Kansas income tax.

If you are a nonresident of Kansas but are stationed in Kansas due to military orders, you must file a Kansas return if you received income from Kansas sources. Only income from Kansas sources is used to determine the Kansas income tax due for *nonresident* military service members. Nonresident service members will subtract out the amount of their military compensation on Schedule S, line A14.

Kansas income for services performed by a non-military spouse of a nonresident military service member is exempt from Kansas income tax. To qualify for this exemption, the non-military spouse must be residing in Kansas solely because the military service member is stationed in Kansas under military orders. Non-military spouses of service members stationed in Kansas will subtract out their Kansas source income on Schedule S, line A14.

NATIVE AMERICAN INDIANS

Income received by native American Indians that is exempt from federal income tax is also exempt from Kansas income tax. Income earned by a native American Indian residing on his/her tribal reservation is exempt from Kansas income tax only when the income is from sources on his/her tribal reservation. If any such income is included in the federal adjusted gross income, it is subtracted on Schedule S, line A19.

Kansas law provides that if a husband or wife is a resident of Kansas while the other is a nonresident of Kansas, and file a Married Filing Joint federal return, they must file a Married Filing Joint Kansas return and file as "nonresidents" of the state of Kansas.

When to File

You can “file now” and “pay later” using our Direct Payment option. See page 11.

If your 2012 return is based on a calendar year, it must be filed and the tax paid no later than **April 15, 2013**. The Kansas filing due date is based on the IRS due date; therefore, filing and payment deadlines that fall on weekends and legal holidays are timely satisfied if met on the next business day. If your Kansas return is based on a fiscal year, it is due the 15th day of the 4th month following the end of your fiscal year. The instructions in this publication apply to a calendar year filer.

AMENDED RETURNS: If the amended return will result in a refund to you, the amended return must be filed within three (3) years of when the original return was filed (including extensions allowed) or within two (2) years from the date the tax was paid, whichever is later.

Where to File

Mail your Kansas individual income tax return to the following address:

INDIVIDUAL INCOME TAX/FOOD SALES
TAX KANSAS DEPARTMENT OF REVENUE
PO BOX 750260
TOPEKA, KS 66675-0260

If You Need Forms

Due to the sensitivity of the department’s imaging equipment for tax return processing, only an **original** preprinted form or an **approved** computer-generated version of the K-40, Schedule S, and K-40V should be filed. Do not send KDOR (Kansas Department of Revenue) a “copy” of your form.

Kansas income tax forms are available by calling or visiting our office (see page 26). Forms that do not contain colored ink for imaging purposes can be downloaded from our web site at: **ksrevenue.org**

Extension of Time to File

An extension of time to file is NOT an extension of time to pay the tax.

If you are unable to complete your Kansas return by the filing deadline, you may request an extension of time to file. If you filed Form 4868 with the Internal Revenue Service for an automatic extension to file, enclose a copy of this form with your completed Form K-40 to automatically receive an extension to file your Kansas return. Kansas does not have a separate extension request form. If you are entitled to a refund, an extension is not required.

To pay the tax balance due for an extension, use the Kansas Payment Voucher (K-40V). Check the box on the K-40V indicating extension payment. If you do not pay the tax due (may be estimated) by the original due date, you will owe interest and penalty on any balance due.

Your Federal Return

If you file Form K-40 using a Kansas address, you do not need to include a copy of your federal return. However, keep a copy as it may be requested by KDOR at a later date. If your Form K-40 shows an address other than Kansas, you must enclose a copy of your federal return (1040EZ, 1040A or 1040 and applicable Schedules A-F) with your Kansas return.

Confidential Information

Income tax information disclosed to KDOR, either on returns or through department investigation, is held in strict confidence by law. KDOR, the Internal Revenue Service, and several other states have an agreement under which some income tax information is exchanged. This is to verify the accuracy and consistency of information reported on federal and Kansas income tax returns.

Innocent Spouse Relief

In those cases where husband and wife file as married filing joint for Kansas, and one spouse is relieved of federal liability by the IRS under 26 USC 6013(e) or 6015, he or she is also relieved of Kansas tax, penalty and interest. Innocent spouse relief is also provided in Kansas cases where such relief would have been provided on the federal level had there been a federal liability.

Estimated Tax

If two-thirds of your income is from farming or fishing, you are not required to make estimated tax payments – but your return must be filed and your tax paid on or before March 1, 2013.

If you have self-employment income or other income not subject to Kansas withholding, you may be required to prepay your Kansas income tax through estimated tax payments (Form K-40ES). Estimated tax payments are required if: **1)** your Kansas income tax balance due, after withholding and prepaid credits, is \$500 or more; and **2)** your withholding and prepaid credits for the current tax year are less than 90% of the tax on your current year’s return, or 100% of the tax on your prior year’s return.

For your convenience, Kansas offers simple electronic payment solutions for your estimate tax that are available 24 hours a day, 7 days a week! There are many advantages to paying electronically – no check to write or voucher to complete and mail; and you get immediate acknowledgment that your payment was received. Additionally, reducing paper consumption is both cost effective and environmentally friendly. Visit our web site at **webtax.org** to choose a paperless payment option.

Underpayment Penalty: If line 28 minus line 18 of Form K-40 is at least \$500 and is more than 10% of the tax on line 17 of Form K-40, you may be subject to a penalty for underpayment of estimated tax. Use Schedule K-210 to see if you will have a penalty or if you qualify for one of the exceptions to the penalty.

Amending Your Return

If you filed a Schedule S with your original return, then you must file a Schedule S with your amended return, even if there are no amended changes to the Schedule.

You must file an amended Kansas return when: 1) an error was made on your Kansas return, 2) there is a change (error or adjustment) on another state's return, or 3) there is a change (error or adjustment) on your federal return. **In the Amended Return section of Form K-40, mark the box that explains the reason for amending your 2012 Kansas return.**

Pay the full amount of tax and interest due on an amended return and no late pay penalty will be assessed. Refer to KDOR's web site for annual interest rates.

AMENDED FEDERAL RETURN: If you are filing an amended federal income tax return, Form 1040X, for the same taxable year as this amended return, you must enclose a complete copy of the amended federal return and full explanations of all changes made on your amended Kansas return. If your amended federal return is adjusted or disallowed, it is necessary to provide KDOR with a copy of the adjustment or denial letter.

If you did not file a Kansas return when you filed your original federal return, and the federal return has since been amended or adjusted, use the information on the amended or adjusted federal return to complete your original Kansas return. A copy of both the original and amended federal returns should be enclosed with the Kansas return along with an explanation of the changes.

FEDERAL AUDIT: If a previously filed federal return was not correct, or if your original return was adjusted by the IRS, amended returns or copies of the Revenue Agent's Reports must be submitted within 180 days of the date the federal adjustments are paid, agreed to, or become final, whichever is earlier. Failure to properly notify the Director of Taxation within the 180 day period will cause the statute of limitations to remain open (KDOR could make assessments for as many years back as necessary).

Deceased Taxpayers

If you are the survivor or representative of a deceased taxpayer, you must file a return for the taxpayer who died during the calendar year.

If you are a surviving spouse filing a joint federal income tax return, a joint Kansas return must also be filed. Include the decedent's Social Security number in the space provided in the heading of the return. Be sure the appropriate box below the heading has been checked.

Decedent Refund Documentation. If you are a surviving spouse requesting a refund of \$100 or less, you must enclose **ONE** of the following with your Form K-40:

- Federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer
- Death certificate
- Obituary statement
- Funeral home notice
- Letters Testamentary
- Kansas Form RF-9, Decedent Refund Claim

If you are a surviving spouse requesting a refund of OVER \$100, or if a refund of ANY amount is being requested by someone other than the surviving spouse, you must submit with your Form K-40:

- Proof of death (death certificate, obituary statement or funeral home notice), AND
- Kansas Form RF-9, Decedent Refund Claim

Food Sales Tax Refund

If you filed a Kansas income tax return last year, you can use "WebFile" to claim your food sales tax refund and get it fast! See page 26.

Form K-40 is not only a Kansas income tax return, but also the claim form for the food sales tax refund. This program offers a refund of the sales tax paid on food. To qualify, you must be 55 years of age or older, or be blind or disabled, or have a dependent child under 18 who lived with you all year whom you claim as a personal exemption. You must also be a Kansas resident (residing in Kansas the entire year) whose Kansas qualifying income is \$36,700 or less. The refund is claimed on line E on the front of Form K-40 – see instructions on page 8. The food sales tax refund will either increase the amount of your income tax refund or decrease the amount you owe.

All returns requesting a food sales tax refund **must be received** by KDOR **no later than April 15** or within the federal extension period. Failure to file for a food sales tax refund before October 15 will result in a denial of the refund. The Director of Taxation may extend the time for filing any claim when good cause exists, or accept a claim filed after the deadline for filing in the case of sickness, absence or disability of the claimant if such claim has been filed within four years of such deadline.

Homestead & Property Tax Relief Refunds

These claims can be filed electronically. Refer to the K-40H and K-40PT instructions on our web site for details.

The Homestead Refund program offers a property tax rebate of up to \$700 for homeowners and renters. To qualify, the claimant must be a Kansas resident (residing in Kansas the entire year) whose 2012 household income was \$32,400 or less, and who is over 55 years old, or is blind or disabled, or has a dependent child under 18 who lived with them all year. "Household income" is generally the total of all taxable and nontaxable income received by all household members. This refund is claimed on Kansas Form K-40H, Kansas Homestead Claim.

A property tax refund for homeowners, 65 years of age or older with household income of \$18,200 or less, is also available on Form K-40PT. The refund is 75% of the property taxes paid. Claimants who receive this property tax refund **cannot** claim a Homestead refund.

The Homestead and Property Tax Relief forms and instructions are available by calling or visiting our office (see page 26).

K-40 Instructions

TAXPAYER INFORMATION

Complete all information at the top of the K-40 by printing neatly. If your name or address changed, or if you are filing with or for a deceased taxpayer, indicate so by marking the appropriate boxes.

AMENDED RETURN

If you are filing an amended return for 2012, mark the box that states the reason. NOTE: You **cannot** amend to change your filing status from “joint” to “separate” after the due date of the return.

FILING STATUS

Your Kansas filing status must be the same as your federal filing status. If your federal filing status is **QUALIFYING WIDOW(ER) WITH DEPENDENT CHILD**, check the **HEAD OF HOUSEHOLD** box. If you and your spouse file a joint federal return, you must file a joint Kansas return, even if one of you is a nonresident. If you each file separate federal returns, you must file separate Kansas returns.

RESIDENCY STATUS

Check the appropriate box for your residency status (see page 3 for definitions). If you mark the **PART-YEAR RESIDENT** box, enter the dates that you lived in Kansas and complete Schedule S, Part B. Nonresidents must also complete Part B of Schedule S.

EXEMPTIONS AND DEPENDENTS

Enter the number of exemptions claimed on your federal return. If no federal return was filed, enter the total exemptions for you, your spouse (if applicable), and each person you claim as a dependent.

If your filing status is **HEAD OF HOUSEHOLD**, you are allowed an additional Kansas exemption; enter a “1” in the box provided. Enter the total number of exemptions in the **TOTAL KANSAS EXEMPTIONS** box. **Important**—If you are claimed as a dependent by another taxpayer, enter “0” in the **TOTAL KANSAS EXEMPTIONS** box.

In the spaces provided, enter the name, date of birth, relationship, and Social Security number of each person you claimed as a dependent (**do not** include you or your spouse). If additional space is needed, enclose a separate schedule.

FOOD SALES TAX QUALIFICATION

To qualify for a refund of sales tax paid on food purchases you must meet the qualifications for residency, taxpayer status, and qualifying income.

If you were a **resident of Kansas for all of 2012**, then you meet the residency qualification. If you resided in Kansas less than 12 months of 2012, you do NOT qualify for the food sales tax refund.

LINES A through C: If you meet the residency qualification, complete lines A through C. If you answer YES to at least one question then you meet the taxpayer status qualification. If you answer NO to all three questions, then you do NOT qualify for the refund.

LINE D: If you met the residency and taxpayer status qualifications, complete the worksheet on page 22. Enter, on line D, the Qualifying Income amount from line 14 of your worksheet. **To receive a refund, there must be a qualifying entry on this line**, so if your income on line 14 is “0”, you must enter “0” on line D. If the amount is a negative number, shade the minus [-] sign in the box to the left of the number.

LINE E: If your qualifying income is less than \$36,701, then use the following table to compute the refund amount to enter on line E:

If your income on line 14 of the Qualifying Worksheet is:		
\$18,350 or less	\$18,351 – \$36,700	\$36,701 or greater
multiply the number of exemptions by \$94	multiply the number of exemptions by \$47	you are not eligible for the refund

If you are **filing for a Food Sales Tax refund only**, you do not need to complete lines 1 through 40 on the back of Form K-40. You can simply SIGN the return on the back and mail it to KDOR. **Important**—KDOR accepts only one original 2012 K-40 return for you. **DO NOT** file two returns – one requesting a food sales tax refund and another to file your income tax return with your W-2s. **Food Sales Tax and Individual Income Tax must be filed together on the same Form K-40.**

INCOME

LINES 1 through 3: Complete these line items as indicated on Form K-40. If any are negative numbers, shade the minus [-] sign in the box to the left of the negative number.

NOTE: Many taxpayers will not have modifications. If you do not, skip line 2 and enter amount from line 1 on line 3. If, however, you have income that is taxable at the federal level but not taxable to Kansas, or income that is exempt from federal but taxable to Kansas, you must complete Part A of Schedule S.

DEDUCTIONS

LINE 4 – Standard deduction or itemized deductions: If you did not itemize your deductions on your federal return, you must take the standard deduction on your Kansas return. If you itemized on your federal return, you may either itemize or take the standard deduction on your Kansas return, whichever is to your advantage. If you are married and file separate returns, you and your spouse must use the same method of claiming deductions – if one of you itemize, the other must also itemize.

KANSAS ITEMIZED DEDUCTIONS

You may itemize your deductions on your Kansas return **ONLY** if you itemized your deductions on your federal return.

If, on your federal return, you elect to deduct state and local **sales and use** taxes instead of state and local **income** taxes then your Kansas itemized deductions are the same as your federal itemized deductions. If you deduct **income** taxes on your federal return, use the worksheet below to calculate your Kansas itemized deductions.

LINE 5 – Exemption allowance: Multiply the total number of exemptions claimed on Form K-40 by \$2,250. **Important**—If you are claimed as a dependent by another taxpayer, enter “0” on line 5.

TAX COMPUTATION

LINE 8 – Tax: If line 7 is **\$50,000 or less**, use the **Tax Tables** beginning on page 18 to find the amount of your tax. If line 7 is **more than \$50,000**, you must use the **Tax Computation Schedules** on page 22 to compute your tax.

LINE 9 – Nonresident percentage: Enter the percentage from Schedule S, Part B, line B23. If 100%, enter 100.0000.

LINE 10 – Nonresident tax: Multiply line 8 by the percentage on line 9 and enter the result on line 10.

LINE 11 – Kansas tax on lump sum distributions: If you received income from a lump sum distribution and there was a federal tax imposed on this income in accordance with federal Internal Revenue Code Section 402(e), then you are subject to Kansas tax on your lump sum distribution. If you are a *resident*, enter **13%** of the federal **tax** on your lump sum distribution (determined on federal Form 4972) on line 11. If you are a *nonresident*, leave line 11 blank.

NOTE: If you are paying a federal tax on a lump sum distribution received from the Kansas Public Employees’ Retirement System (KPERS), prorate the federal tax. Divide the Kansas taxable portion of the distribution (accumulated interest plus any contributions made since July 1, 1984, that have **not** been previously added back on your Kansas income tax returns) by the total portion of the distribution.

LINE 12 – Total Kansas tax: If you are filing as a **resident**, add lines **8** and **11** and enter result on line 12. If you are filing this return as a **nonresident**, enter the amount from line **10** again on line 12.

LINE 13 – Credit for taxes paid to other states: If you paid income tax to another state, you may be eligible for a credit against your Kansas tax liability. If you had income from a state that has no state income tax, make no entry on line 13 and go to line 14.

If you are eligible for a tax credit paid to another state, the credit amount cannot exceed the tax liability shown on the other state’s tax return. The tax liability is **NOT** the amount of tax withheld for the other state. **Important**—To receive a credit for taxes paid to another state, you must enclose a copy of the other state(s) tax return and supporting schedules with Form K-40. Copies of the other state’s W-2 forms are **NOT** acceptable.

Foreign Tax Credit. As used in this section, state means any state of the United States, District of Columbia, Puerto Rico, any territory or possession of the United States and any foreign country or political subdivision of a foreign country. The Kansas credit for foreign taxes is first limited to the difference between the actual tax paid to the foreign country and the foreign tax credit allowed on your federal return. If you claimed the foreign tax paid as an itemized deduction on your federal return, no credit is allowed in this section.

KDOR does not require that you enclose copies of W-2s or 1099s with Form K-40, but reserves the right to request them at a later date. You must, however, enclose any K-19 forms with your Form K-40.

If you have not received a W-2 form from your employer by January 31, or if the form you received is incorrect, contact your employer.

LINE 21 – Estimated tax paid: Enter the total of your 2012 estimated tax payments plus any 2011 overpayment you had credited forward to 2012.

LINE 23 – Earned income credit: This credit is available to residents only -- nonresidents and part-year residents are not eligible. Multiply amount of credit allowed on your federal return by 18%. You may choose to have the IRS compute your federal earned income credit. If you do not receive the information from the IRS before the deadline for filing your Kansas return you should complete Form K-40 without the credit, and be sure to pay any amount you owe. Once the IRS sends you the completed earned income credit figures, you may then file an amended Kansas return to claim the credit. See *Amending Your Return*.

LINE 24 – Refundable portion of tax credits: Enter the total refundable portion of these credits:

LINE 26 – Overpayment from original return: Use this line ONLY if you are filing an amended K-40 for the 2012 tax year. Enter the amount of overpayment shown on your original return. Since you were refunded this amount or it was credited forward, this amount is a subtraction entry.

BALANCE DUE

LINE 28 – Underpayment: If your tax balance on line 19 is greater than your total credits on line 27, enter the difference on line 28.

If the amount on line 28 is not paid by the due date, penalty and interest will be added (see rules outlined in lines 29 and 30).

Extension of Time to File Your Return. Interest is due on any delinquent tax balance, even if you have been granted an extension of time to file the return. If 90% of your tax liability is paid on or before the original due date of your return, an automatic extension is applied and no penalty is assessed.

LINE 29 – Interest: Compute interest at .333% for each month (or fraction thereof) from the original due date of the return on the amount on line 28.

LINE 30 – Penalty: Compute penalty at 1% per month (or fraction thereof) from the original due date of the return on the amount on line 28. The maximum penalty is 24%.

LINE 31 – Estimated tax penalty: To determine if you have a penalty, subtract line 17 from the total of your withholding and estimate payments (line 20 and 21), if this amount is \$500 or more you will need to complete Schedule K-210. If you have a penalty on Schedule K-210, enter the amount on line 31. There are two exceptions: 1) if withholdings and/or estimated payments (lines 20 and 21) equal or exceed 100% of the prior year's tax liability (line 17 from last year's return) or, 2) if your withholdings and/or estimated payments (lines 20 and 21) equal or exceed 90% of this year's income tax liability (line 17). **Important**—If at least two-thirds of your income is from farming or fishing, mark an "X" in the box on line 31.

LINE 32 – Amount you owe: Add lines 28 through 31 and enter the total on line 32. This amount should be paid in full with the return. A balance due of less than \$5 need not be paid. You may make a donation to any or all of the contribution programs on lines 35 through 39, even if you have a balance due. Just add these amounts to your tax and write one check for the total of tax due and your contribution(s).

KDOR offers three options to pay your Kansas income tax—credit card, direct payment, or check/money order.

CREDIT CARD

Payment by credit card is available online or by phone through third-party vendors. Visit our Electronic Services web site at **webtax.org** for a current list of vendors authorized to accept individual income tax payments for Kansas. Based on the amount of tax you are paying, a convenience fee will be charged.

DIRECT PAYMENT

If you choose WebFile or IRS e-File to file your Kansas return, **Direct Payment** is an option during the filing process to pay your balance due. If you file a paper return you also have the option to make an *electronic payment* by calling toll-free at 1-866-450-6490 or visit <https://www.kdor.org/personaltax/Login.aspx> for an online transaction.

When you select Direct Payment, and provide your bank routing number and bank account number, you are authorizing KDOR to initiate an electronic payment from your account for payment of your balance due. Direct Payment allows you to “file now, pay later.” For example, if you file your return on March 20th and elect Direct Payment, you can have your bank account debited on the April 15 due date.

With Direct Payment, you are also assured that your payment is made on time. Direct payment authorizations on returns filed by midnight of April 15 are considered to be timely paid.

Direct Payment saves time; no check to write and no voucher to complete and mail. If you need to revoke your election of this payment authorization, you must notify KDOR at 1-800-525-3901 by 4:00 PM, two business days before the scheduled payment date. **Important**—You should check with your financial institution to be sure they allow an electronic debit (withdrawal) from your account.

CHECK OR MONEY ORDER

If you choose this payment option, **you must complete and submit Form K-40V with your payment.** Write your Social Security number on your check or money order and make it payable to “Kansas Income Tax.” If you are making a payment for someone else (i.e., daughter, son, parent), write that person's name and Social Security number on the check. **DO NOT** send cash. **DO NOT** staple or tape your payment to the K-40V or K-40 – instead, enclose it loosely with your return.

Returned checks: A fee of \$30.00, plus costs for a registered letter (currently \$10.30), is charged on all returned checks.

OVERPAYMENT

LINE 33 – Overpayment: If your tax balance, line 19, is less than your total credits, line 27, enter the difference on line 33. NOTE: An overpayment less than \$5 will not be refunded but may be carried forward as a credit to next year's return (line 34), or contributed to any of the donation programs on lines 35 through 39.

LINE 34 – Credit forward: Enter the portion of line 33 you wish to have applied to your 2013 Kansas estimated income tax (must be \$1 or more). If the amount on line 33 is less than \$5, you may carry it forward to 2013 as an additional credit even if you do not make estimated tax payments. You may make voluntary contributions to any of the donation programs listed on lines 35 through 39 – see the following instructions. Your contribution(s) **will reduce** your **refund** or **increase** the **amount you owe**.

EXAMINATION ADJUSTMENT: If your overpayment is decreased due to an adjustment to your return, any contributions you have made will be reduced by that amount. If your overpayment is increased, your contribution amount(s) will remain the same.

LINE 35 – Chickadee checkoff: Contributions to this Kansas nongame wildlife improvement program will help improve the quality of wildlife in Kansas. Last year's contributions were used to:

- Assess and maintain information for sensitive species.
- Monitor populations of endangered species.
- Assess impacts of development actions on endangered species.
- Continue research on declining aquatic animals in southeast Kansas and restore declining freshwater clams.
- Continue long-term nongame projects such as the Kansas Winter Birdfeeder Survey, Bluebird Nest Box Program, and Backyard Nongame Wildlife Habitat Improvement Program.
- Support Outdoor Wildlife Learning Sites (OWLS) for schools.

Enter on line 35 the amount you wish to contribute to this program (must be \$1 or more).

LINE 36 – Meals On Wheels contribution program for senior citizens: All contributions are used solely for the purpose of providing funds for the senior citizens Meals On Wheels contribution program. The meals are prepared by a dietary staff and delivered by volunteers. The underlying objective of the program is to prevent deterioration of the elderly and handicapped individuals in the community, thus making it possible for them to live independently in their own homes for as long as possible. The friendly visit with the volunteers is socially helpful and daily visits are important in case of an emergency situation. Enter on line 36 the amount you wish to contribute to this program (must be \$1 or more).

LINE 37 – Kansas breast cancer research fund: This fund is devoted to ending suffering and death from breast cancer in Kansas. Every dollar collected stays in Kansas to bring the latest in breast cancer prevention, early detection, diagnosis, and treatment to Kansans. The research is conducted at the University of Kansas Cancer Center. With the hope of finding a cure, the purpose of this fund is to help save lives and significantly enhance the health of Kansans living with breast cancer. Enter on line 37 the amount you wish to contribute to this fund (must be \$1 or more).

LINE 38 – Military emergency relief fund: Contributions will be used to help military families with the cost of food, housing, utilities and medical services incurred while a member of the family is on active military duty. Enter on line 38 the amount you wish to contribute to this fund (must be \$1 or more).

LINE 39 – Kansas Hometown Heroes fund: All contributions are used solely for the purpose of advocating and assisting Kansas Veterans, dependents and survivors ensuring they receive all federal and state benefits they have earned. Enter on line 39 the amount you wish to contribute to this fund (must be \$1 or more).

LINE 40 – Refund: Add lines 34 through 39 and subtract the result from line 33. This is your refund amount. If line 40 is less than \$5, it will not be refunded, however, you may carry it forward to be applied to your 2013 Kansas income tax liability (enter the amount on line 34). If you do carry it forward, please remember to claim it as an estimate payment on your 2013 return. You also have an option to apply it to one of the donation programs (lines 35 through 39 of Form K-40).

If you file a **paper K-40**, you need to **allow 16 weeks** from the date you mail it to receive your refund. Errors, inaccurate forms, photocopied forms, or incomplete information will delay processing even longer. **For a fast refund – file electronically!** See page 26.

REFUND SET-OFF PROGRAM

Kansas law provides that if you owe any delinquent debt (Kansas tax, child support, student loans, etc.) to a Kansas state agency, municipality, municipal court or district court, your income tax refund will be applied (set-off) to that delinquent debt. **The set-off process will cause a 10 to 12 week delay to any remaining refund.**

Unless the debt is a Kansas tax debt, KDOR will not have access to who the debt is owed to or how much is owed. You must contact the debtor setoff department at 785-296-4628 for that information.

SIGNATURE(S)

Signature: Your income tax return **must be signed**. You will not receive your refund if your return is not signed. **Both taxpayers must sign a joint return even if only one had income.** If the return is prepared by someone other than you, the preparer should also sign in the space provided.

If you are filing a return on behalf of a decedent, the return should be signed by the executor/executrix. If it is a joint return filed by the surviving spouse, indicate on the spouse's signature line "Deceased" and the date of death. **If a refund is due, enclose the required documents (see instructions for *Deceased Taxpayers* on page 5).**

Preparer authorization box: In some cases it may be necessary for KDOR to contact you about your tax return. By marking the box above the signature line, you are authorizing the director or director's designee to discuss your tax return and any enclosures with your tax preparer.

Mailing your return: Before mailing your income tax return, be sure you have:

- ✓ completed all required information on the return,
- ✓ written your numbers legibly in the spaces provided,

NOTE: If your K-40 is filed with a Kansas address, do not include a copy of your federal return; however, keep a copy of it in case KDOR requests it at a later date. **If your K-40 shows an address other than Kansas, you must enclose a copy of your federal return (1040EZ, 1040A or 1040 and applicable Schedules A-F).**

INSTRUCTIONS FOR SCHEDULE K-210

If any due date falls on a Saturday, Sunday, or legal holiday, substitute the next regular work day.

WHO MAY USE THIS SCHEDULE

If you are an individual taxpayer (including farmer or fisher), use this schedule to determine if your income tax was fully paid throughout the year by withholding and/or estimated tax payments. If your 2012 tax due (line 17 of the K-40 – DO NOT include compensating tax from line 18 of the K-40), less withholding and tax credits (excluding estimated tax payments made) is \$500 or more, you may be subject to an underpayment of estimated tax penalty and must complete this form.

Taxpayers (other than farmers or fishers) are not required to make a payment for the January 15th quarter if a Form K-40 was filed and the tax was paid in full on or before January 31, 2013.

Farmers & Fishers: If at least two-thirds of your annual gross income is from farming or fishing and you filed Form K-40 and paid the tax on or before March 1, 2013, you may be exempt from any penalty for underpayment of estimated tax. If so, write on line 1 "Exempt-farmer/fisher", and do not complete the rest of this schedule.

However, if you meet this gross income test, but did not file a return and pay the tax on or before March 1, 2013, you must use this schedule to determine if you owe a penalty for underpayment of estimated tax.

COMPLETING THIS SCHEDULE

Enter your name and your Social Security number in the space provided at the top of this schedule.

LINES 1 through 4: Complete these lines based on information on your income tax return for this tax year and the prior tax year.

If you did not file an income tax return for the prior tax year, or if you did file a return but your income tax balance (line 17, Form K-40) was zero, then enter zero on line 3 of this schedule.

PART I – EXCEPTIONS TO THE PENALTY

You will NOT be subject to a penalty if your 2012 tax payments (line 7) equal or exceed the amounts for one of the exceptions (lines 8 or 9a or 9b) for the same payment period.

LINE 5: Multiply the amount on line 4 by the percentage shown in each column of line 5.

LINE 6: Enter the cumulative amount of timely paid estimated tax payment made in each quarter. For example, Column 3 will be the total of your withholding and estimated tax payments made from January 1 through September 17, 2012.

LINE 7: For each column, add lines 5 and 6 and enter the result on line 7.

LINE 8: Exception 1 applies if the amount on line 7 of a column equals or exceeds the amount on line 8 for the same column. Multiply line 2 or 3 (whichever is less) by the percentages shown in each column of line 8. **If the amount on line 7 (for each column) is equal to or greater than the amount on line 8 (for each column) – no penalty is due and no further entries are required.**

LINE 9: Exception 2 applies if your 2012 tax payments equal or exceeds 90% (66 2/3% for farmers and fishers) of the tax on your annualized income for these 2012 periods:

January 1 – March 31	Multiply income by 4
January 1 – May 31	Multiply income by 2.4
January 1 – August 31	Multiply income by 1.5
January 1 – December 31	Multiply income by 1

This exception applies if the amount on line 7 exceeds the amount on line 9a or 9b (as applicable). If you are a farmer or fisher, you will only complete the last column on line 9b.

For example, to figure the first column, total your income from January 1 to March 31, 2012 and multiply by 4. Subtract your deductions (standard or itemized) and your exemption allowance amount. Using this net annualized income figure, compute the tax. Multiply the tax by the percentage rate in the first column.

Repeat these instructions for the remaining three columns, using the multiplication factors given above to annualize the income for that period. Enclose a schedule showing your computation of annualized income and tax amounts. **If the amount on line 7 (for each column) is equal to or greater than the amount on line 9a (for each column), or line 9b, for farmers or fishers – no penalty is due and no further entries are required.**

PART II – FIGURING THE PENALTY

LINE 10: Enter on line 10 the amount of underpayment of tax, which is the **lesser** of one of the following computations:

- Line 8 less line 7; **or**,
- Line 9a less line 7; **or**,
- Line 9b less line 7

LINE 11: This line contains the due date of each installment for a calendar year taxpayer.

LINE 12: The number of days on line 12 are precomputed for a calendar year taxpayer that made timely payments. If you did **not** make timely payments, you should disregard the precomputed number of days on line 12 and compute the number of days on each quarter to the date paid.

EXAMPLE: If you paid the 6/15/12 installment on 6/28/12 the number of days to enter on line 12, column 2 will be computed from 6/15/12 to 6/28/12, which equals 13 days. If you then paid the next quarter timely at 9/17/12, the number of days will be from 9/17/12 to 1/15/13, which equals the 120 days (105 already entered + 15).

LINE 13: The 5% penalty rate begins in column 3 for a calendar year taxpayer, therefore no entry is required in columns 1 and 2. The 15 days in the 3rd column are from 1/1/13 to 1/15/13. If you did **not** make timely payments, you should disregard the precomputed number of days on line 13 and compute the number of days on each quarter to the date paid.

- If you file your return prior to 1/15/13, enter in the third column the number of days from 1/1/12 to the date filed and disregard the precomputed number of days (15) entered on line 13.
- The fourth column must be completed by you. Enter the number of days from 1/15/13 to the date the return was filed and paid.

LINES 14 and 15: Penalty is computed to 12/31/12 at 5%; and at 4% from 1/1/13 to the date the tax was paid, or 4/15/13, whichever is earlier.

LINE 16: For each column, add lines 14 and 15 and enter the result on line 16.

LINE 17: Add the amounts on line 16 together and enter the result on line 17. Also enter this amount on Form K-40, line 31, Estimated Tax Penalty.
